

KENT Razor Compact Floor Scrubbers

Full-featured KENT Razor Compact Floor Scrubbers are specifically designed to clean small areas. Whisper quiet unit operates at a low 67 dB letting workers clean floors during business hours without disturbing patrons. Gravity fed solution system dispenses exactly the right amount of solution controlling waste and detergent levels. Break away 28"W squeegee prevents floor damage. Includes 17" prolene brush that is easy to remove and replace without tools. Adjustable handle accommodates multiple users. 7-gallon tank. 39"Lx22"Wx33"H to top of tank.

KENT Klenzor Multi-Surface Extractor

KENT Klenzor Multi-Surface Extractor features a single spray jet that evenly distributes both water and cleaning solution eliminating uneven cleaning and streaks. Self-leveling brush deep cleans, while the specially designed vacuum shoe evenly extracts moisture to prevent clogging. 1 1/2 hp vacuum motor generates 117" of water lift; scrub brush is operated by a 1/3 hp motor. Adjustable handle. Also includes 7-gal. solution tank, 5-gal. recovery kit, and utility bag.
