

Acrylic Notice Hangars

To clearly and prominently advertise your menu or product offerings, restaurant, lounge, or any special services, use an acrylic sign holder! They're ideal in the dining room, at hotel front desks, guest rooms, or in the pub. Simply slide card or sheet into the slot; the holder keeps it securely in position. Wall-mount style has screw holes for mounting (screws not included). Clear acrylic wipes clean easily.

"IF WE DON'T HAVE IT... IT DOESN'T EXIST"
