

Coffee Urn, Waring, Commercial, 55 Cup

Good for any gathering, this commercial 55 cup coffee dispenser will give years of service. Stainless steel construction, backed by a full warranty & serviceable parts it is the smart choice in coffee urns for parties, gatherings or meetings.

Or for a more stylish look.....

Styling adds beauty and elegance to any buffet. Heavy-gauge mirror-polished 18/8 stainless steel urns have a seamless, one-piece body and double wall covers to resist corrosion - they are virtually maintenance free! Solid brass accents have a clear protective coating to protect against tarnish. Decorative spigot handle is threaded into the welded and sealed stainless steel tube to eliminate leaks. Traditional Urns come complete with chafing fuel holder.

“IF WE DON’T HAVE IT... IT DOESN’T EXIST”
