

## Floor Machines

### Sanitaire® 17", 1HP

Twin-capacitor, commercial-grade motors provide extra torque to confidently use on carpet or bare floors. Has a chrome-plated steel housing. Includes twin- or triple-idler planetary gear driver, 50' power cord, heavy-duty wraparound bumper, and safety shutoff. Quick-connect handle reduces the package size to save on shipping. UL-listed for commercial use. 3-year parts, 1-year labor warranty.

## Burnishers

### Sanitaire® High-Speed

High-performance, commercial-grade motor provides a brush speed of 1,500RPM. Chrome-plated construction includes a wraparound bumper that protects walls and molding. Includes a safety shutoff and 50' power cord. Cleans a 20" path. Has an easy-access foot-controlled handle release. The exclusive quick-connect handle reduces the package size by 40% to save on shipping. 1.5 HP. 46" height. UL-listed. 3-year parts, 1-year labor warranty.
