

Radnor® Direct Vent Dust Goggles With Clear Soft Frame And Clear Lens (Bulk Packaging)

RADNOR

Radnor® Ventilated Safety Goggles have soft vinyl frame that fits snug and can be worn for extended periods of time. The transparent frame allows vision in all directions and has hooded vents that prevent fogging and aid ventilation while the tough polycarbonate lens offers protection against dust and flying objects.

Radnor® Indirect Vent Chemical Splash Goggles With Clear Soft Frame And Clear Lens (Bulk Packaging)

RADNOR

Soft vinyl frame fits snug and can be worn for extended periods of time with comfort.

Jackson* MonoGoggle® XTR™ Shield™ Chemical Splash Impact Goggles With Blue Translucent Flexible Frame And Clear Polycarbonate, Anti-Fog Lens (6 Per Box)

Jackson* The Shield™ chemical splash goggle features the MonoGoggle® XTR™ with a polycarbonate shield for full face protection. Shield detaches from the goggle. Curved faceshield conforms to the shape of the face offering better protection. The Shield™ only weighs 14.1 ounces.

Uvex® Stealth™ Chemical Splash Impact Goggles With Orange And Gray Frame, Clear Uvextreme® Anti-Fog Lens And Neoprene Headband

The Stealth™ helps workers appreciate the unique combination of lightweight comfort, a low profile design, and futuristic good looks. Soft, pliable elastomer material molds around the nose, cheeks and forehead for a custom fit to both wide and narrow faces. Indirect ventilation minimizes fogging while providing superior splash and impact protection. Exclusive uvextreme(®) AF coating provides anti-fog, anti-scratch, anti-static, and anti-UV protection. Meets ANSI Z87.1 and CSA Z94.3 standards.
