EQUIPMENT SUPPLIES

Speed humps are designed to take a car from 35 MPH to 15 MPH allowing traffic to flow

- 2.25"H x 36"L x 17.5"W;
- 25 Pounds 5 predrilled holes for hardware installation
- Joints to fit into speed hump sections

Tough, recycled tire rubber is resistant to weather, salt, moisture, UV, oil, and temperature. Made in the USA. Prompt shipping. Will not warp, chip, or crack. Easy, one person installation (instructions included). Installation hardware is available.

Speed bumps are designed to take a car from 20 MPH to 5 MPH controlling out of control parking lot speeders

- Made of tough recycled tire rubber with a virgin rubber overlay
- Optional molded-in stripes of yellow road marking tape let drivers know they are coming to a Speed Bump!
- Add cat-eye reflectors for night-time visibility
- Conform to surface contour
- Can be cut with utility knife if necessary
- Dual bottom channels for drainage, wire or pipe to 3/4"
- Designed for up to 15 mph
- Removable for surface maintenance.

2-5/8" high x 12" wide  
72" Lengths

End caps

- 12" x 2-5/8" x 6"
- 2 holes, 3.25 lbs.
- Male joints to fit into SB channels.
- Available in black

Parking stops add to the general aesthetic beauty of your facility & manage parking areas with clear direction on parking

6" wide by 4 1/4" high.

ST-6' 4 holes, 8 stripes, 40 lbs.

Permanent reflective striping - no painting! Reflective stripes are made of road marking tape. Bonded stripes are available in yellow, white, blue or none Ideal for parking lots, garages, wall protection, and other parking applications.

- 14" x 1/2" rebar spike and washer for asphalt installation.
- 4.5" lag (screw, washer, and shield) for concrete installation of Speed Bumps or Speed Humps.
- Use 10 ounces of adhesive for glue down applications and so hardware won't work loose with 4 or more trucks daily going over Speed Hump, also use for leading edge. Buy epoxy or adhesive locally (PL Premium Polyurethane Construction Adhesive works well!)

1 piece for each predrilled hole

Hardware for all 3!
